“ Aunt Theresa was a great Aunt.. She was there for me when no one else was and when I needed her the most. She loved her crafts and I loved doing them with her. She would spend a week with us every year and I looked forward to her visits. My sister Dian and I took her to Frankenmuth and what was supposed to be a 4 hour trip turned into almost 8 hours as we could not get her out of the craft store that was doing a demonstration. She just had to watch it all the way through beginning to end. She will be sadly missed but never forgotten. May GOD have mercy on her and may she rest in paradise with Him. My masses will be said starting on September 8 for 1 year. This day is the Feast of the Blessed Virgin Mary's Birth. All prayers on this day are magnified in Heaven as all of Heaven celebrates Her birthday. Good by Aunt Theresa until we meet again. Rest in Peace beautiful lady. Love Always forever in my heart. Your niece Nancy C.
