“ Gosh, what can I say about a guy who had it all? Integrity,honesty, A zest for life. Could turn your tears into a smile with laughter~~~He has a personality that could make you love him , even if you did not want to~~His Heart was so big,he could not say no to anyone. He and Sue never closed their door to anyone. You were never a stranger in their home. He loved unconditionally~~something many of us will never be able to do.

We may not be able to see him or hear his voice any longer, But he will be in our hearts and the memories will never fade.... Yes Tom ,you will be missed by hundreds and your family and that woman of over 40 years~~your partner~~the love of your life and you hers~~~Tom , you were one of a kind~~THE FULL PACKAGE~~~your going to be missed~~~Love never dies~~~Joanne Quatrine Ladd

“ Sending our love and keeping all of you always in our prayers. Another angel was called home and I know there will be a day we when we all meet again among the stars, and his sweet songs will be heard again. He was definitely the karaoke king! The world lost a wonderful man and an amazing family lost their kind, loving father and husband, brother, cousin...and with so many loved ones left behind, he will live on, in everyone's hearts and memories; he will never be forgotten. I feel so fortunate to have had the opportunity to meet, know and love him, even for just the short time that it was. Much much love to you Sue and Margene and family, our deepest sympathies.
