“ I love and miss you mom. I know you're not in pain anymore and that you're in heaven with grandma.. it makes things easier down here knowing that. One day I'll see you again. I can't wait. Not a day will go by that I won't think of you. You were my best friend and the most important person in my life. 19 years with you wasn't enough. You are the strongest person I know and I only hope to be as strong, beautiful and caring as you. Every night I'm going to pray and talk to you. I just want you to know I'm going to live the life you would want me to and I'm going to make you proud. I love you mama

“ *When Valerie was born she weighed under 4 pounds and her weight dropped to under 3 pounds. We were all so worried about her, but she turned out healthy and vibrant. Her beautiful daughter, Raina, was her shining achievement. God bless you, Raina. We love you. Aunt Sandra*
