“ I will always treasure the many great memories I have of spending time with Wanda. Working on her beautiful yard and flowers, caring for her beloved pet fish, taking the kids places. She always made time for everyone else, putting their needs before her own. Wanda and Ed always made you feel welcome, fixing delicious meals and baked goods. I enjoyed many hours of great times around their kitchen table. Now she is pain free and at peace. I can only imagine how great the reunion was with Sammy, Kayle, her mom and many others. She will live on through the memories I will always have to cherish. My prayers are with you Ed!!

“ I enjoyed our long talks over coffee. It has been a while since I visited with Wanda, I have missed her dearly. I was just saying that I wanted to go visit with her, I should have never put it off because now I will never get the chance to visit and get caught up on life 😞 I'm sorry Ed and the rest of her family and friends for your loss. My deepest condolences. God rest her soul 🙏🙏
