“ I just heard about your mom's passing, Cindy, and want to express my sincerest sympathy. I have so many fond memories of your beautiful mom and spending time at your house. I heard, too, that Denny has passed, as well. Remember when we used to play board games in the converted hearse that he drove? :-)

Would love to catch up with you! If you get this message, here's my email address: <mitremmel@gmail.com>

Much love to you and your family,

Michelle (Stark) Tremmel

“Wanda, was a very special woman. I never knew or even met my biological grandmothers. I was extremely lucky to be adopted by two special families and women. My Grand Ma Shirley and My Grand Ma Wanda.

Wanda had a special capacity of caring and love that few people have. Always a big smile, a hug and a kiss on the cheek are constant memories of this remarkable woman.

She passed this special love of people and an open heart to her family. I've seen it in her children, grand children and great grand children. It will always be her living legacy; as all of them raise their families adding extended family as she and they added me over 30 years ago.

I think she always held out hopes I'd marry into the family and make my adoption complete; but that wasn't to be.. But it wasn't for lack of trying and hoping on her part..

She will be missed.
