“ To my Dear Father, you were a great Dad to me. And a great man. We loved being around you, we weren't ready for you to go, there was a lot more fun to be had with us. Your spirit for life was so positive, you taught me so much that I will always be so grateful for the time I had with you. Rest in peace Dad, until we meet again. You will always be alive in my heart and memories. Now you and Anna Mae are together again, embrace each of. Your loving daughter Annette.

“ He was a GREAT father-in-law. He always made me feel part of the family. He was always ready with a joke or a funny line. He was always happy to see you. He made it to every party and spent a lot of family game nights with us. He would drive all the way up north to visit us at camp. He would stay 10-15 minutes and then leave. It was always nice that he came.  
He use to tell me to Be Good and I would reply That's No Fun. Then he would say Be Careful. I'll miss you and Be Careful.
